Consortium

The 5G Workforce: *Connect, Communicate, Collaborate*

Presented by

The
LearningCafé

When

8:00 am - 12:00 pm
March 9th, 2017

Where

Northwest State Community College
George V. Voinovich Auditorium 22600 St Rt 34
Archbold, Ohio 43502

Program Highlights

Attract and Hire - Your recruiting message does matter! Where you recruiting and what are you saying?

Onboarding, and re-recruiting current employees - Each generation has a slightly different expectation (need) of onboarding and orientation.

Coaching - How to coach, and how to accelerate an employee's learning curve to ramp up productivity.

Engage and Retain - What motivates and what demotivates? Strategies to engage and what actions would cause an employee to disconnect, disengage or depart.

Share Knowledge/Knowledge Transfer - How to encourage knowledge sharing across the generations.

Diane Thielfoldt

Learning Strategist and Co-Founder, The Learning Café

Diane partners with clients to create custom learning solutions that produce business results and support personal growth. She specializes in designing, developing, and facilitating training on the four-generation workforce, leadership, mentoring, learning agility and personal branding.

Clients

Her clients span four continents and many industries, including aerospace, high technology, telecommunications, healthcare, insurance, banking and financial services, office equipment, business services, manufacturing, distribution, and state and federal government.

The Learning Café specializes in solving issues related to the five-generation workforce. For fifteen years, they have learned from the age-diverse workforce by engaging in primary research, analyzing secondary research, capturing trends, teaching in organizations and observing workplace behavior - to build a strong knowledge base of the five generations' commonalities and differences. They have helped organizations in many industries create strategies to manage their five-generation workforces and bridge the generation gap at work. Their presentations, training materials and workshops have provoked thought, changed behavior and educated thousands of managers and employees on the importance of flexing to meet the needs of a changing workforce - and practical ways to do so. To learn more about The Learning Café visit their website www.thelearningcafe.net

The Advanced Manufacturing Consortium in partnership with Northwest State Community College and in conjunction with The Ohio Manufacturing Extension Partnership are pleased to bring you this amazing learning opportunity!
